## DEDICATION

As individuals must strive for their own personal excellence, they must also attempt to bring institutions such as Bloomfield College toward higher and higher degrees of excellence. Bloomfield College has been fortunate in having individuals who have made the achievement of excellence at Bloomfield part of their daily lives.

Of this group, one man stands out above all others. He has consistently devoted an enormous amount of time and effort to the College both publicly and privately. He is the central force behind the success of the College's Evening Division and Summer Session Programs. Most important, he is a close personal friend of all students and is highly respected by his colleagues.

A man of high academic and administrative abilities, his major contributions inside and outside of the classroom are vast. He has successfully introduced innovative techniques in teaching which have contributed greatly to the advancement of the minds of his students. He is constantly aware of the capabilities of the College and the needs and capabilities of the students. Further, he is responsible for planning, recommending, and improving the College's Adult Program and Summer Session Division.

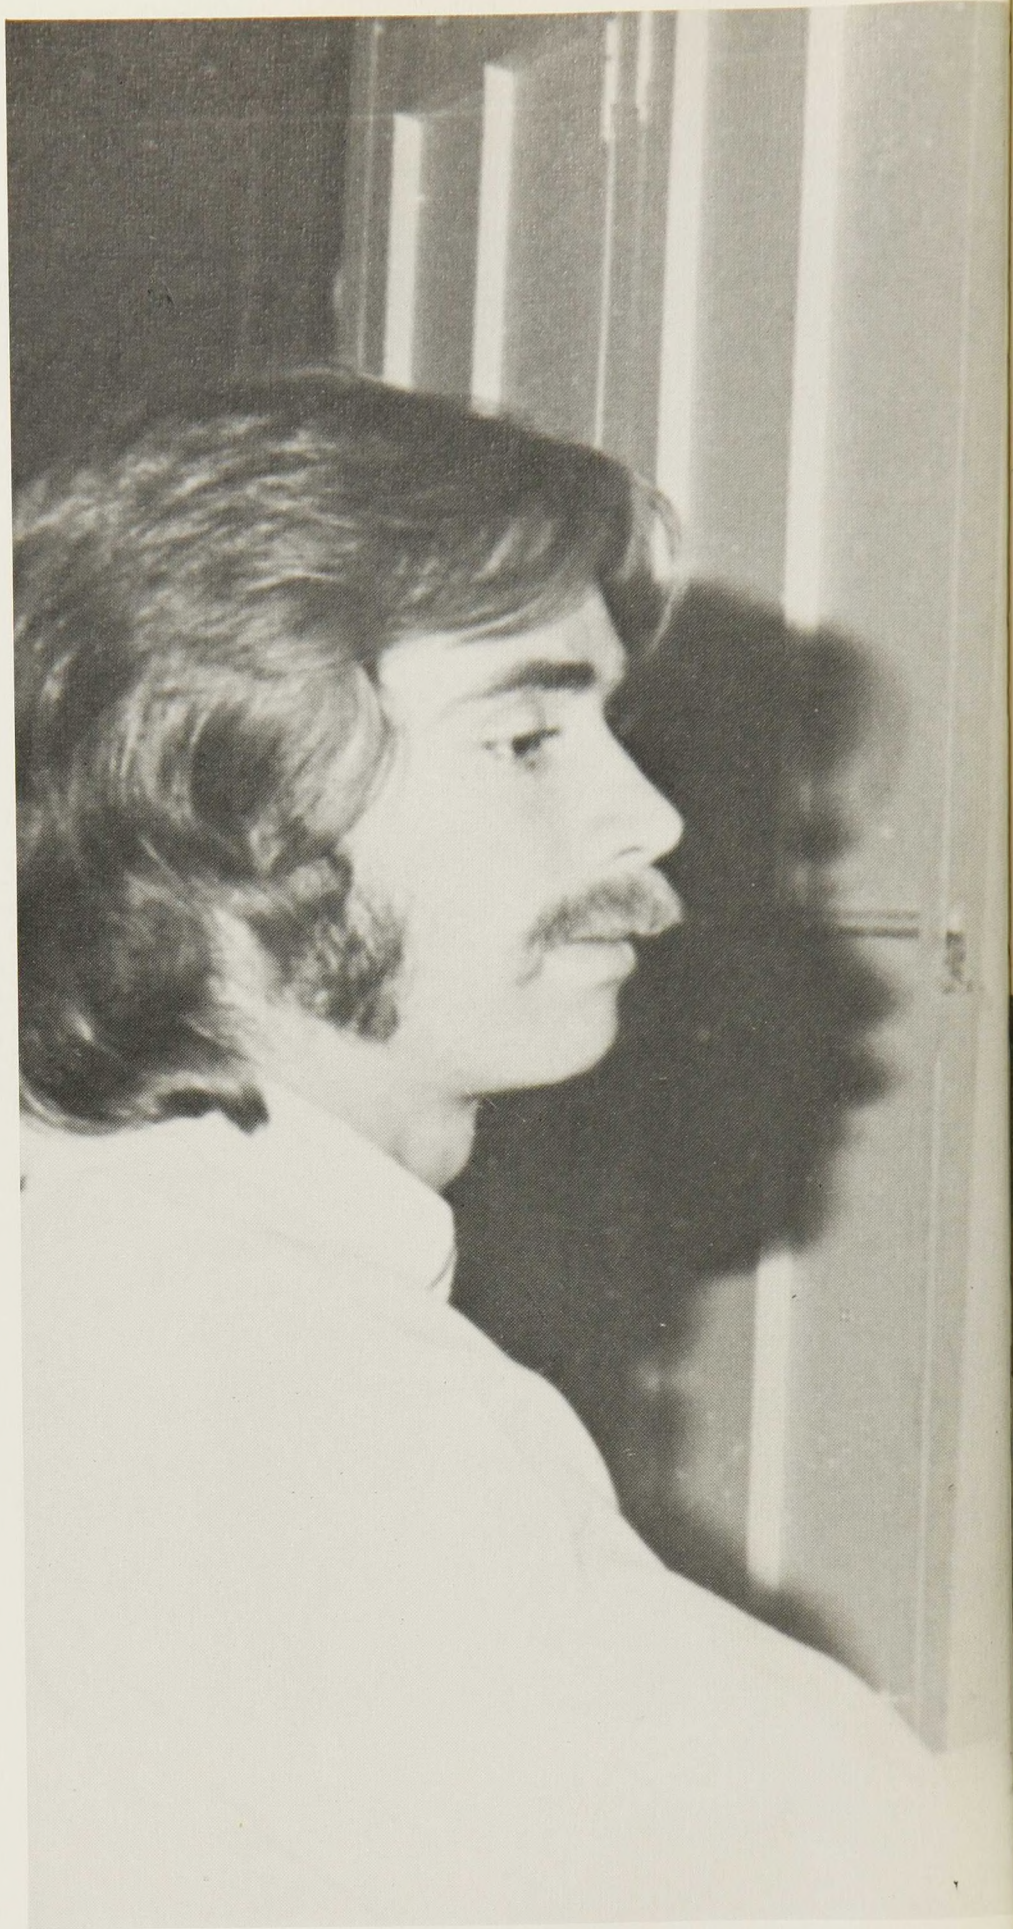

This man of whom we speak has been at Bloomfield College for three years. He is a man of acute perception, ingenuity, high caliber and strong ideals. He is a Doctor of American Literature (University of Wisconsin) and holds an M.L.S. degree from Columbia University. He is Assistant Dean of the College for Special Academic Programs and is Assistant Professor of English. He is a specialist in New York Theater and lectures throughout the country. A pioneer, he never wearies from expanding and bettering Bloomfield College.

A man of great admiration — a man of excellence,

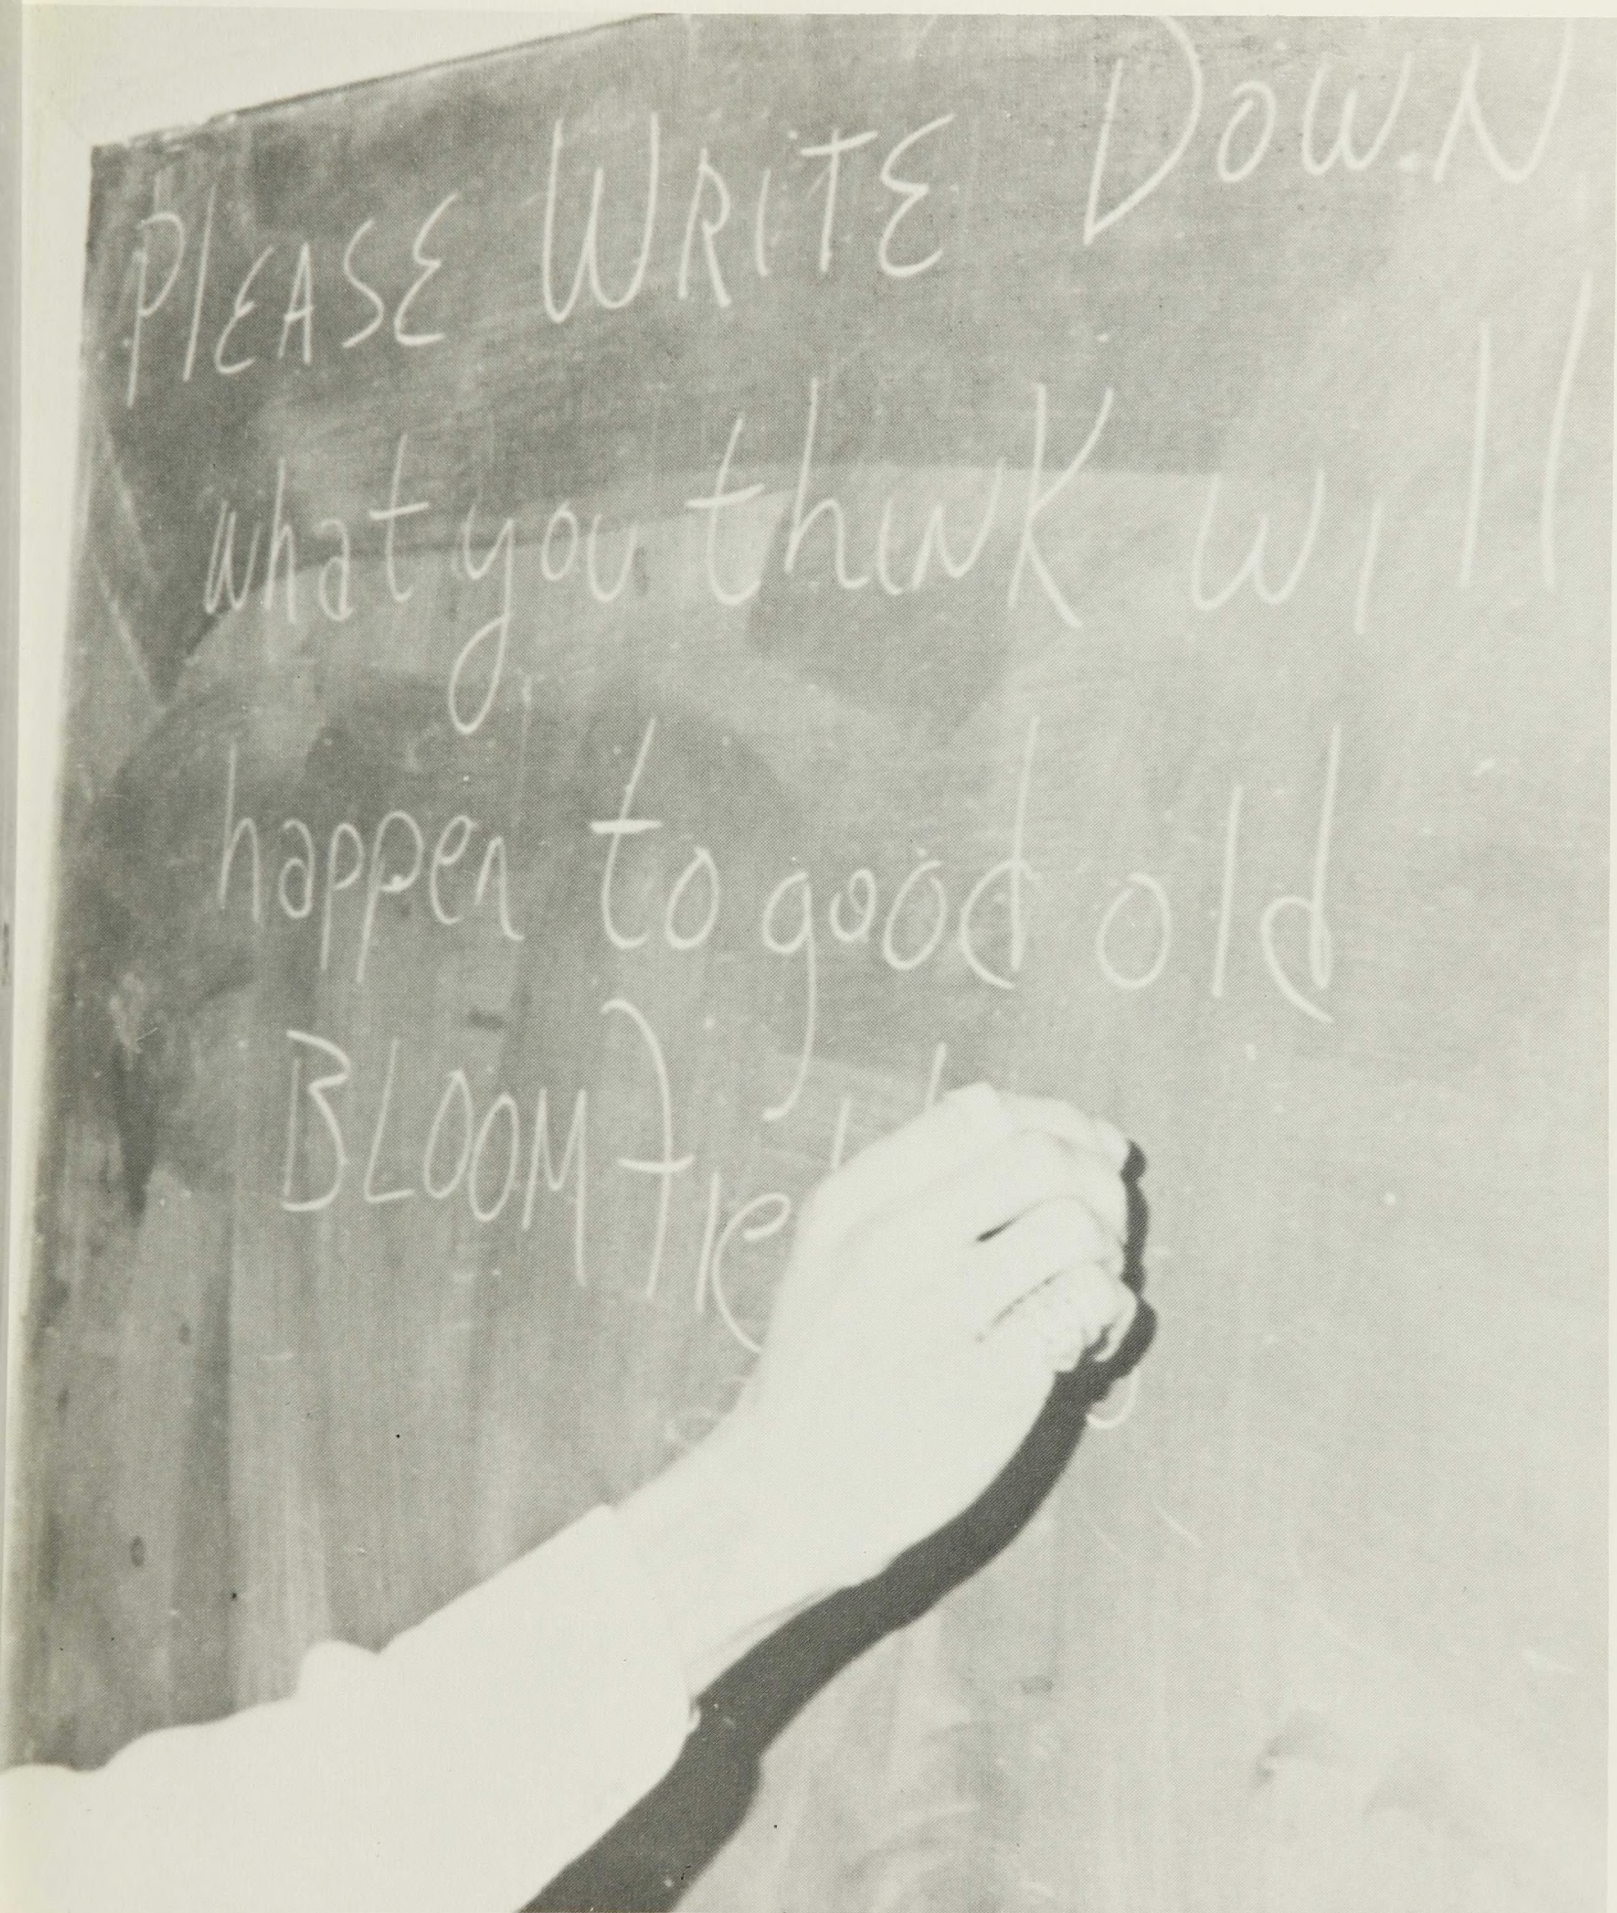

We take great pride in dedicating the 1974 Saga to

Dr. Charles L. Leavitt  
Assistant Dean of the College for Special  
Academic Programs  
Assistant Professor of English

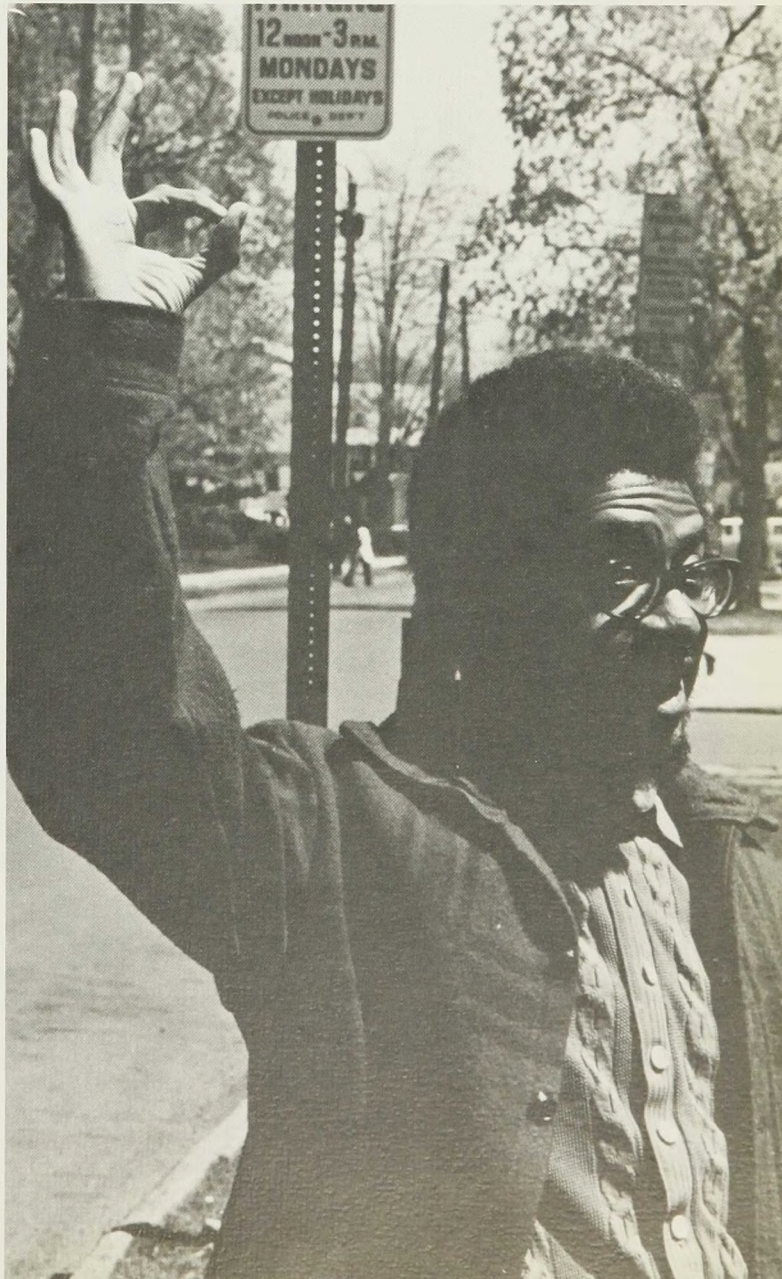

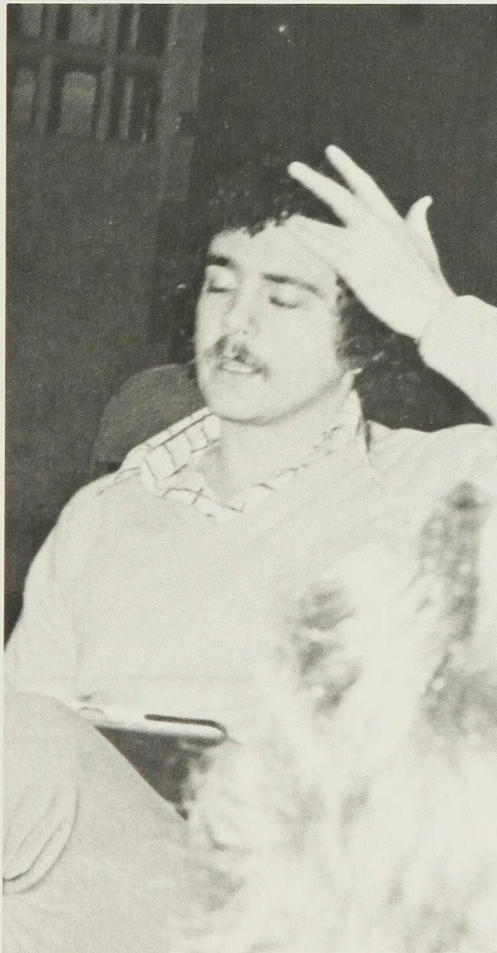

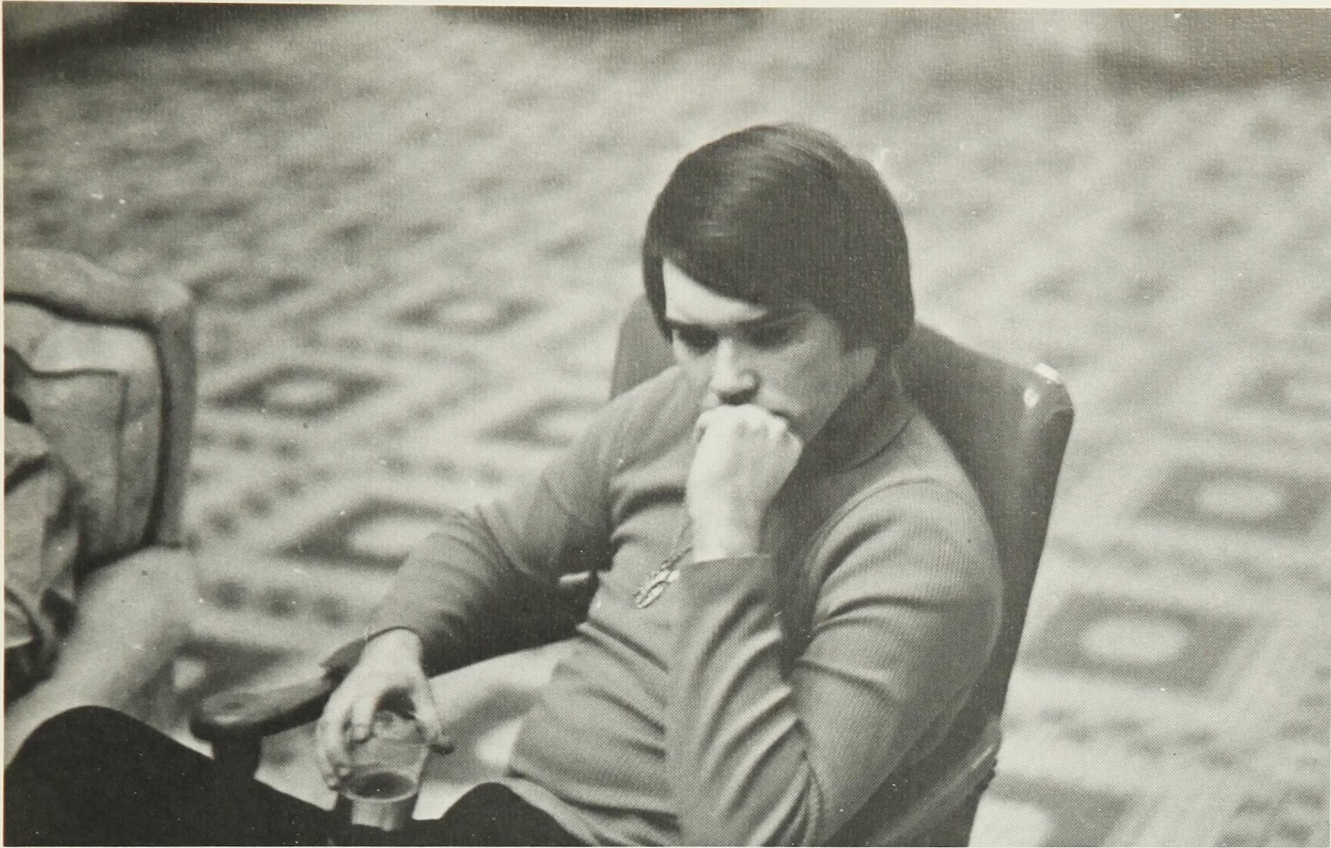

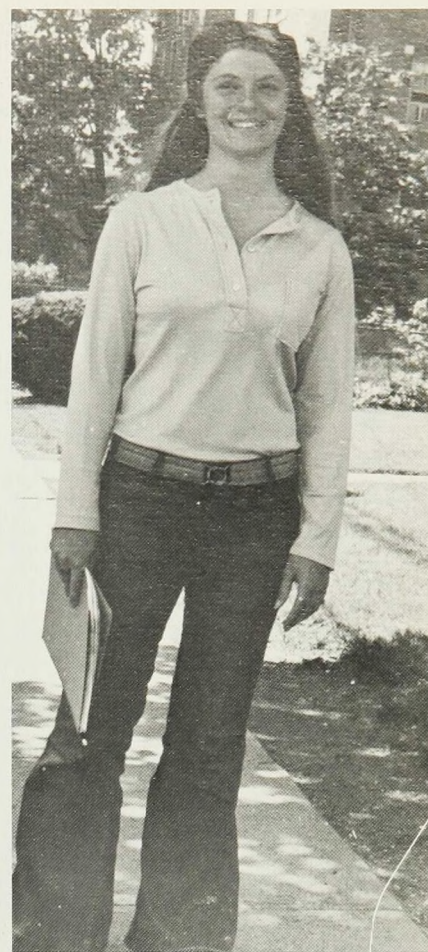

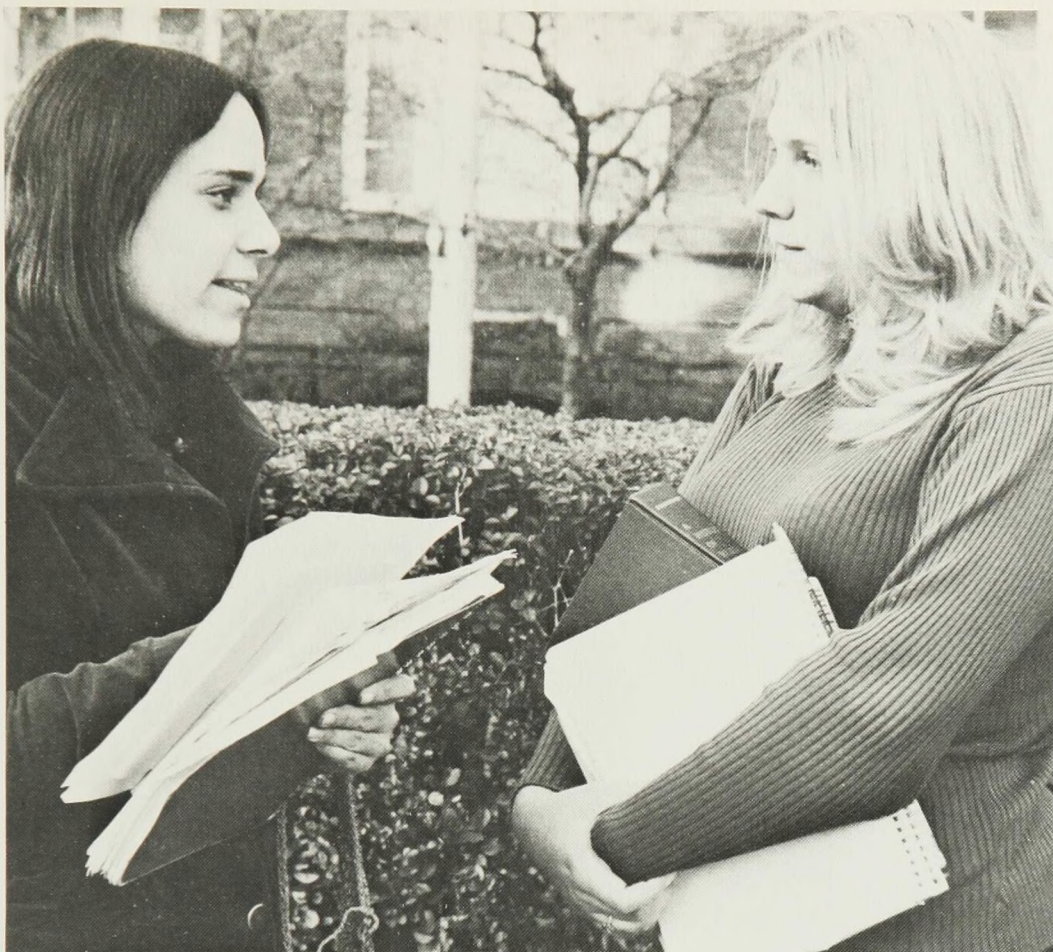

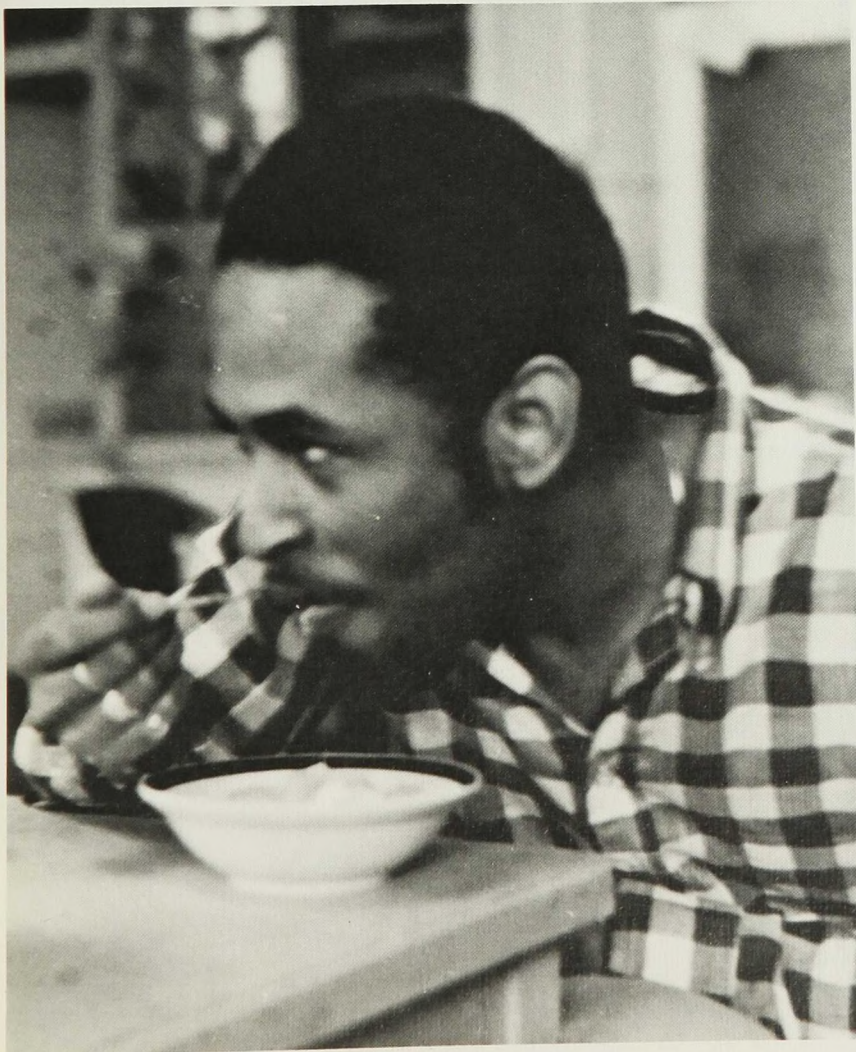

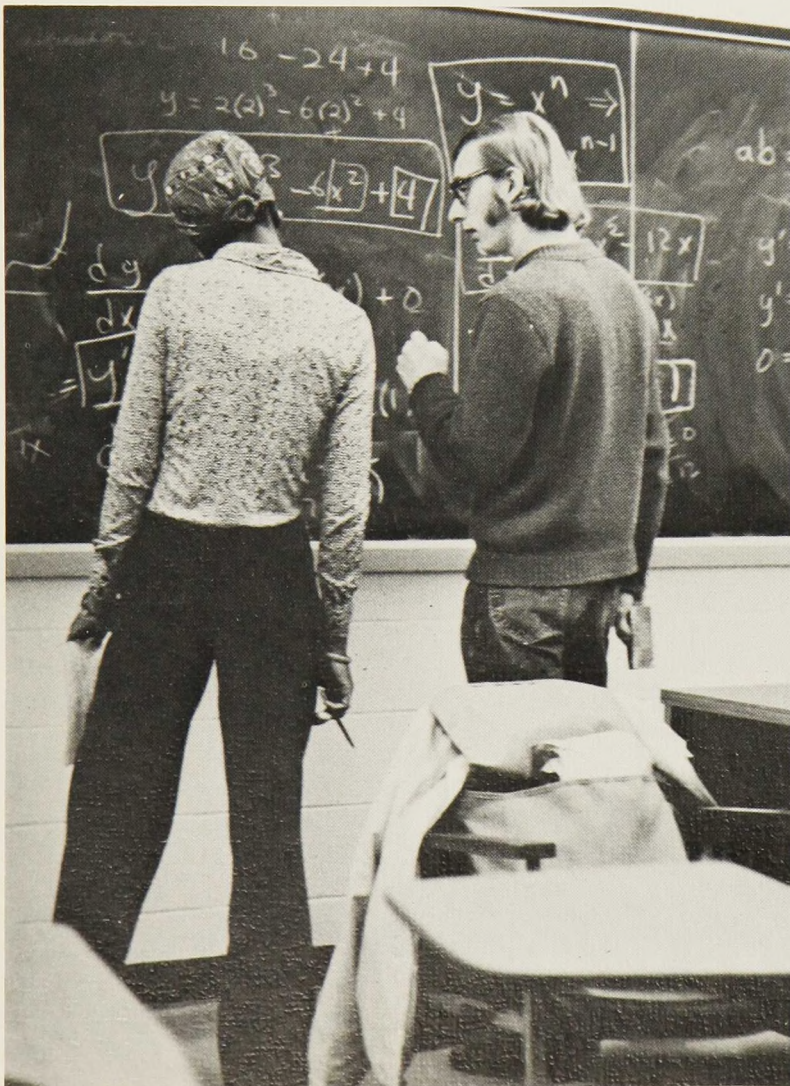

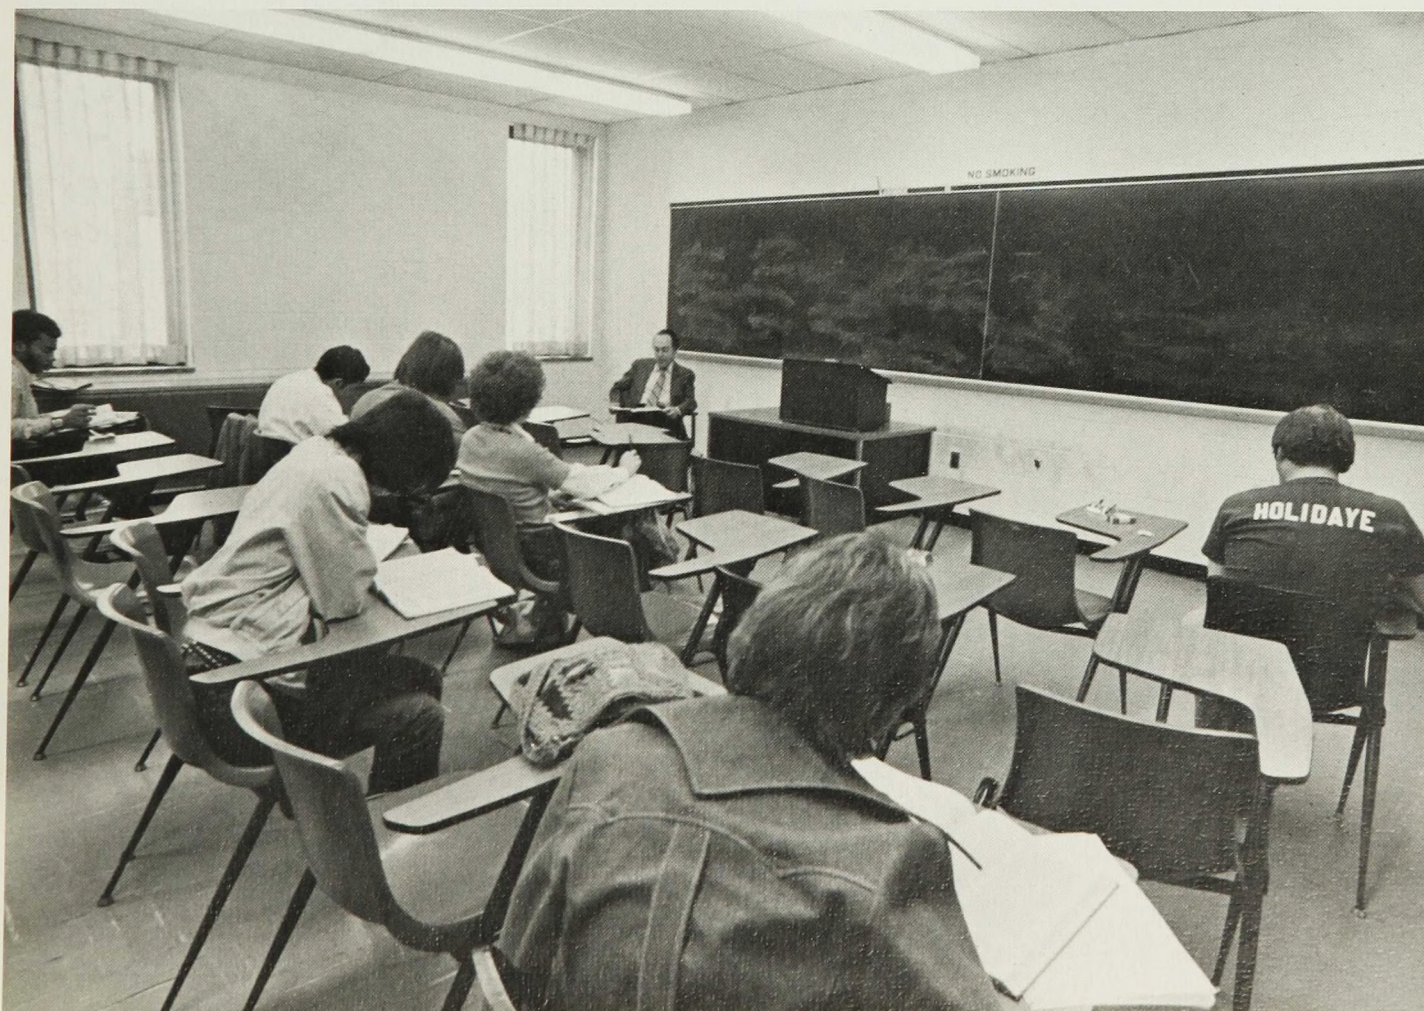

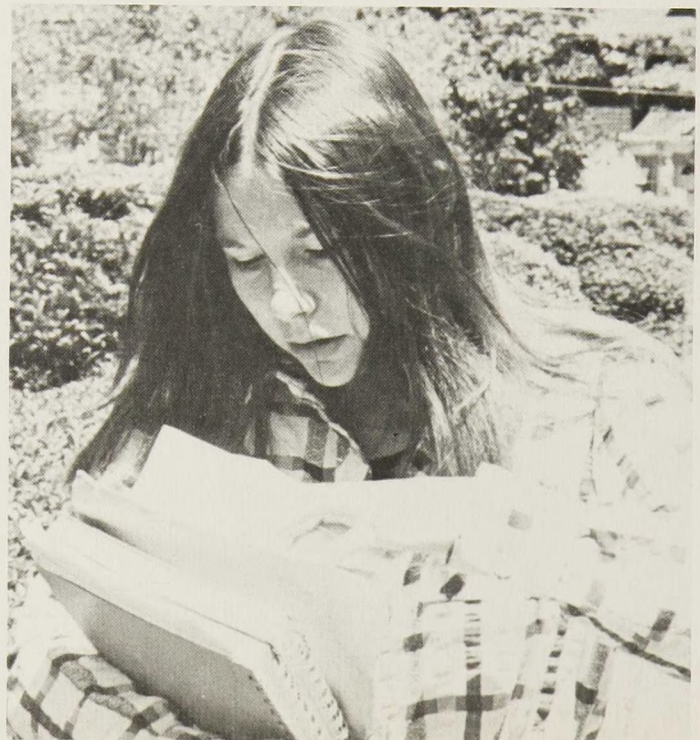

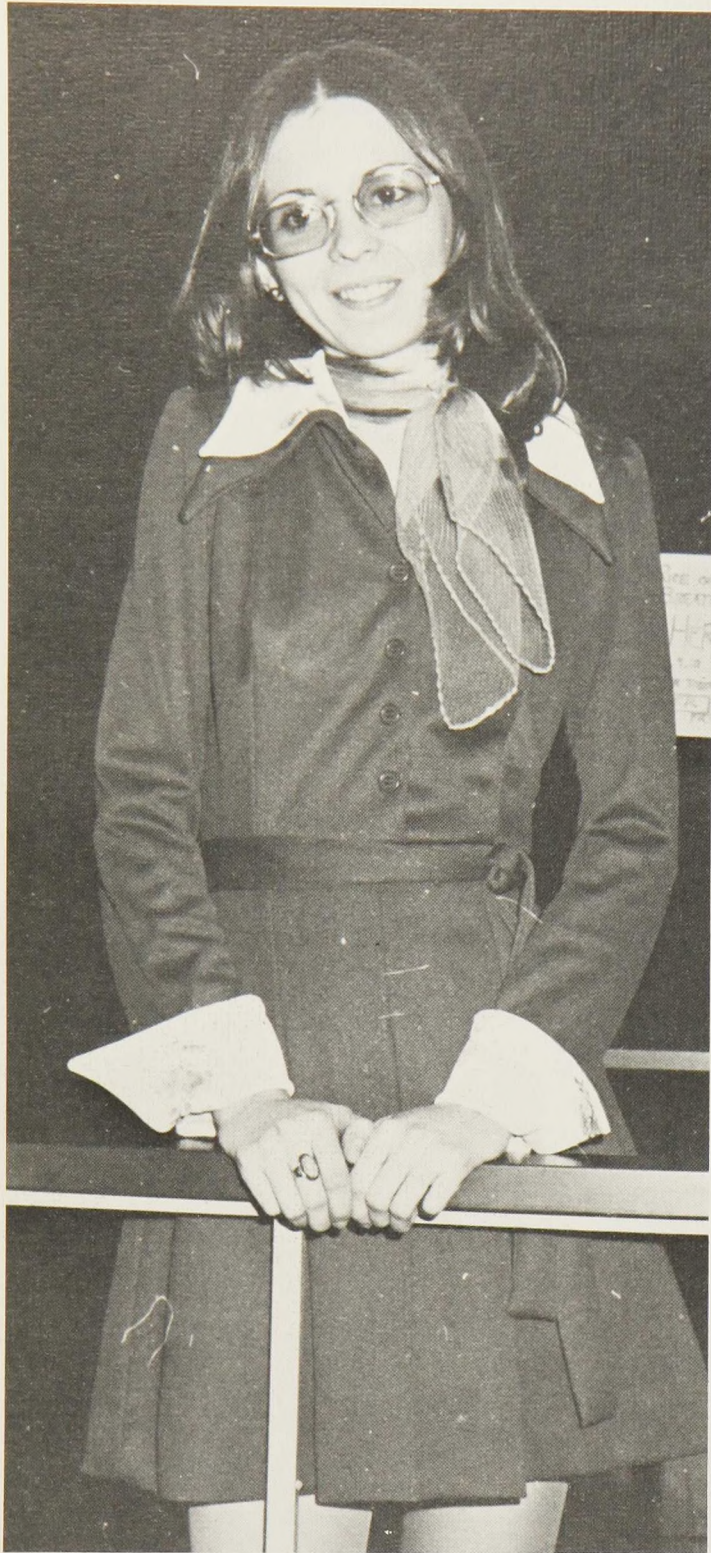

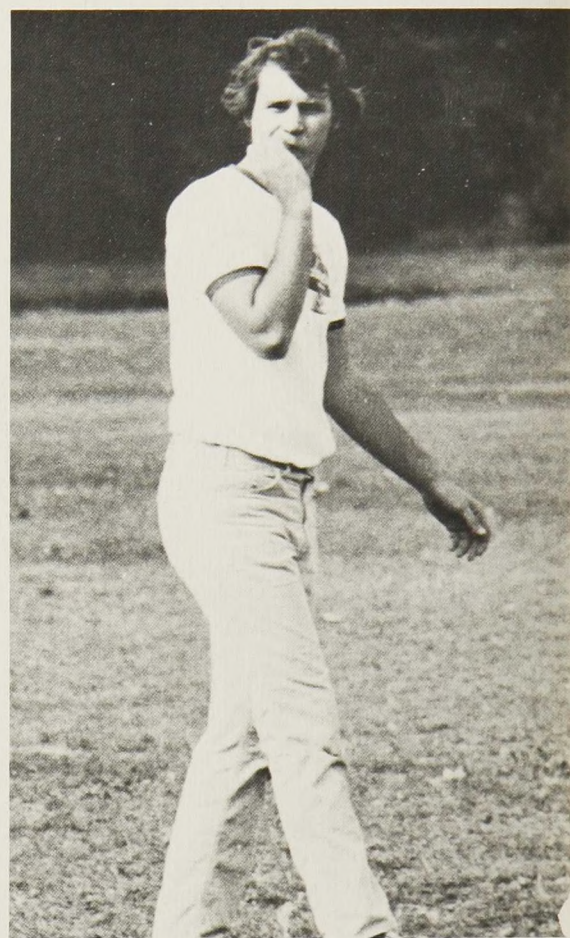

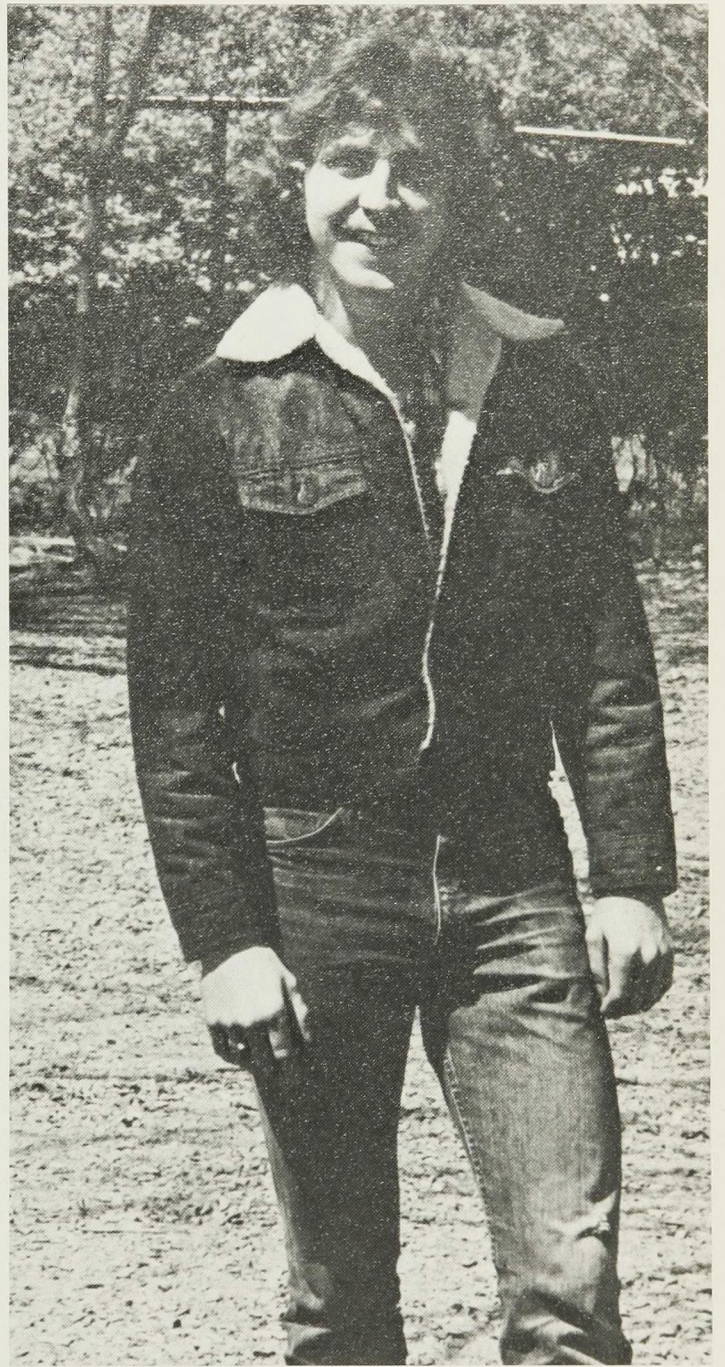

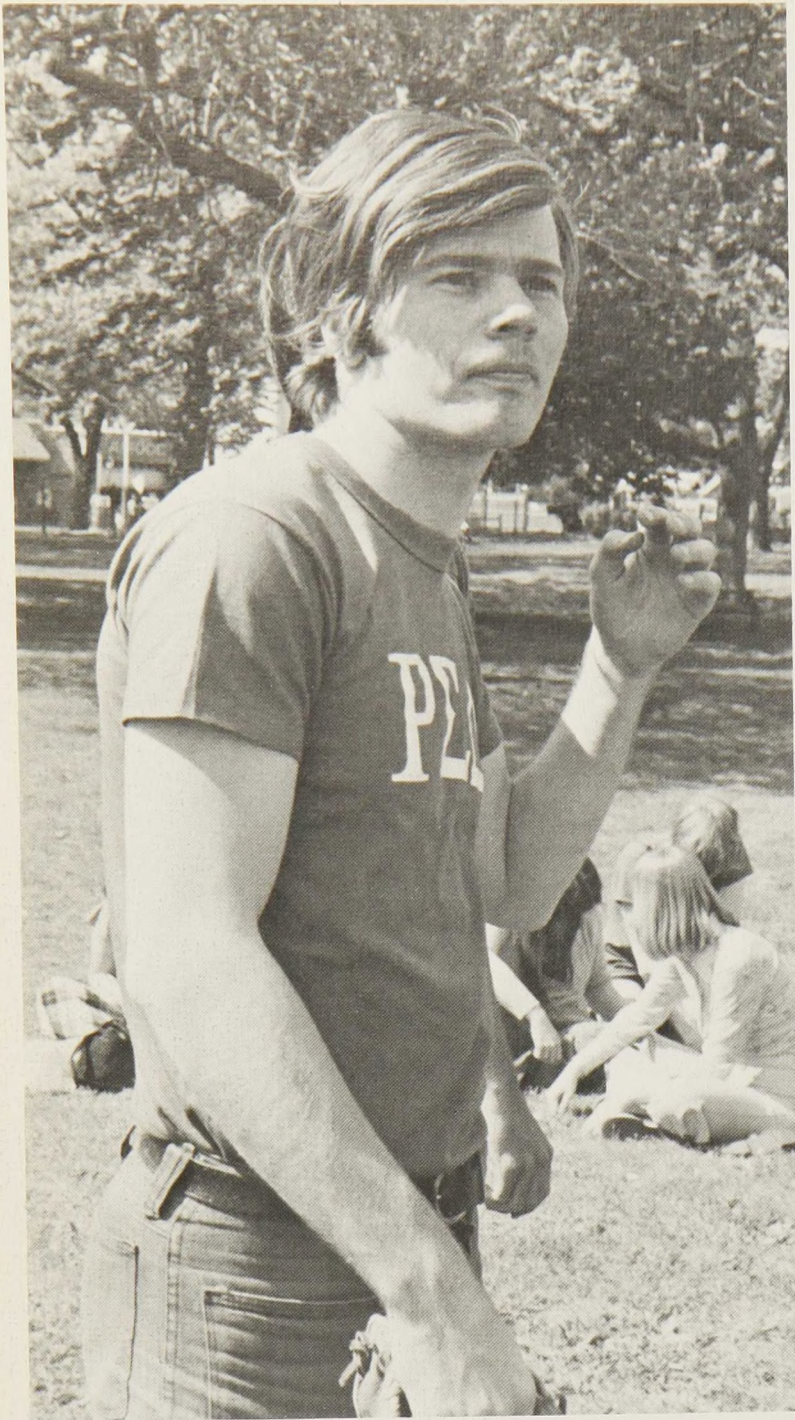

Unison: together as one  
 you are as-one  
 together - compassion, friendship  
 a unity: again as one  
 ideas and friendship  
 disagreements - friends  
 strongness: together, unity  
 a true love, for all  
 happiness, sorrow - felt  
 again for all  
 remain always friends  
 sisters - never to end  
 remember times - good - bad  
 but just remember  
 still friends  
 still as one  
 most of all - remain -  
 sisters

B.C.E.S.A. Buffet-Dinner Dance.

by Barbara Jean De Nicola

On March 29th a buffet-dinner dance was held in the Westminster Hall of Bloomfield College. This is our second annual event sponsored by the officers of the Bloomfield College Evening Student Association. The officers are (l-r) Joseph Meglio — President, Elizabeth Heaton — Treasurer, Barbara Jean DeNicola — Vice-President, and Doris Degnan — Secretary.

The affair was catered by Daily's of Belleville, which was enjoyed by everyone and we danced to the music of "Dan Bennon Orchestra" of Bloomfield. The photography was performed by Mr. Michael Fanizzo. In spite of the bad weather that evening, the affair was a tremendous success.

I want to take this opportunity to thank all who attended and made this wonderful occasion a success. I want to also thank Dr. Charles Leavitt and his staff for their help and wonderful cooperation. An enjoyable evening was had by all.

Respectfully submitted,
